

Third Circular (2022.02.16)

Se2023 (The 9th International Selenium Conference, focused on Selenium in Chemistry, Biology and Medicine)
June 26-29th 2023, KAIST, Daejeon, Korea

Se2023 Organizing committee:

Chair: Professor David G. Churchill (Head)

Vice Chairs:

Professor Hwa-Young Kim, Yeungnam Univ., Korea

Professor Emeritus An-Sik Chung, KAIST, Korea

Professor Sihoon Lee (M.D.) Gachon University, Korea

Professor Jin-Hong Kim, Seoul National University, Korea

On-site Secretaries:

Mrs. Eun-Kyung Kim (selenium2023kr@gmail.com)

Miss Sojeong Bae (sojeong.bae@sonsndaughters.co)

Official Sponsors: KAIST, KAI-X, Biosyn, and others TBA

Se2023 (The 9th International Selenium Conference, focused on Selenium in Chemistry, Biology and Medicine) June 26-29th 2023

Confirmed Invited Speakers

- Professor Kenta Arai, Tokai University, Japan
- Professor Elias Arner, Karolinska Institutet, Sweden
- Professor Tianfeng Chen, Jinan University, China
- Professor Wen-Hsing Cheng, Mississippi State University, USA
- Professor An-Sik Chung, KAIST, Korea
- Professor David G. Churchill, KAIST, Korea
- Professor David Hughes University College Dublin
- Professor Michio Iwaoka, Tokai University, Japan
- Professor Hwa-Young Kim, Yeungnam University, Korea
- Professor Pawan K Khanna, DIAT India.
- Professor Sangit Kumar, IISERB
- Professor Amit Kunwar, Bhabha Atomic Research Centre
- Professor Sihoon Lee (M.D.) Gachon University, Korea
- Professor Byeong-Jae Lee, Seoul National University, Korea
- Professor Xingen Lei, Cornell University, USA
- Professor Qiong Liu, Shenzhen University, China
- Professor Sudesh Manjare University of Mumbai
- Professor Yasumitsu Ogra, Chiba University
- Professor Daniel Plano, Universidad de Navarra
- Professor K. Indira Priyadarsini, University of Mumbai
- Professor Jamal Rafique, Federal University of Mato Grosso do Sul, Brazil
- Professor Eric Rivard, University of Alberta, Canada
- Professor Sandeep Prabhu, Pennsylvania State University, USA
- Prof. N. Tejo Prakash, Thapar Inst. of Eng. and Tech., India
- Professor Yoshiro Saito, Tohoku University, Japan
- Professor Claudio Santi, Università degli Studi di Perugia
- Professor Arun Sharma, Penn State College of Medicine, USA
- Professor Vijay Pal Singh, Panjab University India
- Professor Jin-Hong Kim, Seoul National University, Korea
- Dr. Daniel Torres University of Hawaii, USA
- Professor Jian-Hong Zhu, Wenzhou Medical University, China
- Professor Gouriprasanna Roy, IIT Tirupati

Third Circular (2022.02.16)

Se2023 (The 9th International Selenium Conference, focused on
Selenium in Chemistry, Biology and Medicine)
June 26-29th 2023, KAIST, Daejeon, Korea

International Advisory Committee for Se2023:

Professor Xingen Lei, Cornell University, USA
Professor Tianfeng Chen, Jinan University, China (** host of Se2016)
Professor Sandeep Prabhu, Pennsylvania State University, USA
Professor Arun Sharma, Penn State College of Medicine, USA
Dr. Anatoly V. Skalny, Sechenov Medical University, Russia,
Professor Hisaaki Mihara, Ritsumeikan University, (** host of Se2018)
Professor Yoshiro Saito, Tohoku university, Japan
Professor Michio Iwaoka, Tokai University, Japan
Professor Qiong Liu, Shenzhen University, China
Professor Yu-Feng Li, CAS-Beijing, China
Prof. N. Tejo Prakash, Thapar Inst. of Eng. and Tech., India (** host of Se2019)
Professor K. S. Dhillon, Punjab Agricultural University, India
Professor Jamal Rafique, Federal University of Mato Grosso do Sul, Brazil
Professor Emeritus An-Sik Chung, KAIST, Korea
Professor Byeong-Jae Lee, Seoul National University, Korea
Professor Hwa-Young Kim, Yeungnam University, Korea
Professor Sihoon Lee (M.D.) Gachon University, Korea
Professor Jin-Hong Kim, Seoul National University, Korea
Professor David G. Churchill, KAIST, Korea

- *Convenient Transportation from ICN Airport*
- *Competitive registration pricing*
- *Accompanying person-friendly*
- *On-campus housing options*
- *Regional Excursion*
- *Fair weather expected*

Se2023 (The 9th International Selenium Conference, focused on Selenium in Chemistry, Biology and Medicine) June 26-29th 2023

Registration, Housing, Meals and Related Information

- **Registration:**

- Professor: \$400 USD (KRW 500,000)
- Post-doc: \$200 USD (KRW 250,000)
- Student: \$100 USD (KRW 120,000)
- Accompanying Person: \$200 USD
- ZOOM On-line option: \$200 (TBA)
- Nonghyup Bank – (Overseas) Wire transfer will be preferred
- Account information (TBA)

- **Regional Excursion**

- \$90 USD (100,000 KRW)
- Includes meals

- **Accommodations:**

- On campus student and faculty housing (Daejeon Campus) (TBA)
- Guest house and Dormitory etc. (TBA)
- Family Housing can be arranged (TBA)

- **Meals**

- Details about Cafeteria and canteens etc. (TBA)

- **Honorariums:** Some KAIST support has been procured (TBA)

- Further funding and sponsorship is being sought. (TBA)

Current Daily Conference Schedule

	26 June, 2023	27 June, 2023	28 June, 2023	29 June, 2023	30 June, 2023
Morning	Likely Arrival Day	Plenary Talks	Scientific Session V	Regional Excursion (meals included and taken during the travelling)	Early Move to Tokai University, Japan (for some speakers)
		Scientific Session I	Scientific Session VI		
		Lunch	Lunch		
Afternoon	Registration	Scientific Session II	Scientific Session VII		
	Welcoming Party Reception	Scientific Session III	Scientific Session VIII Student Flash Presentations		
	Career Award Lectures	Scientific Session IV Student Flash Presentations	Plenary Talks		
Evening	Free time	Poster session	Free time	Free time	

Note: One (currently) parallel session that includes invited seminars and also student flash presentations.

Satellite Meeting in Japan directly following Se2023 (!)

- Mini-symposium: “Interface of Chalcogen Chemistry and Biology”
- June 30 to July 1, 2023
- Tokai University Shonan Campus, Hiratsuka, Kanagawa, Japan, as the satellite symposium.
- Organizing Committee
- Chair: Professor Michio Iwaoka
- Director of Institute of Advanced Biosciences, Tokai University
- E-mail: miwaoka@tokai.ac.jp
- Secretary: Junior Associate Professor Kenta Arai
- Department of Chemistry, Tokai University
- E-mail: k-arai4470@tokai-u.jp
