Save the Date!

16. International Conference on the Chemistry of Selenium and Tellurium, ICCST-2025

It is our great pleasure to announce the 16th International Conference on the Chemistry of Selenium and Tellurium, ICCST-16, which will take place on

August 26 - 29, 2025

in the **National Academy of Sciences Leopoldina**, in Halle (Saale), Germany. The event is being organized by **Prof. Ludger Wessjohann** and his team from the **Leibniz Institute of Plant Biochemistry** in Halle.

The ICCST-16 will continue the tradition of previous conferences, offering a scientific program on the topics:

- Organic and inorganic chemistry of higher chalcogens
- Selenium in agriculture and nutrition
- Selenium in biochemistry, biology and medicinal sciences
- Higher chalcogenes in material sciences
